

Forecast For East of England
Issued by Met Office Exeter
at 1600 on Thursday 28 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Turning unsettled on Friday and over the weekend. Windy tonight.

This Evening and Tonight:

Some clear spells art first but cloud will slowly thicken from the west, with rain reaching western parts by dawn. Mild and quite windy, especially near the coast. Minimum temperature 11 deg C (52 deg F).

Friday:

Cloudy with spells of showery rain crossing from the west, occasionally heavy. Drier, brighter weather moving eastwards by late afternoon with all parts dry through the evening. Winds decreasing. Maximum temperature 16 deg C (61 deg F).

Outlook for Saturday to Monday:

Staying changeable and windy at times. Further spells of rain, Occasionally heavy, especially on Sunday. Saturday night will be mainly dry. Very strong winds Monday and feeling colder.
